WHO'S AFRAID?

Trades Assembly Holds a Dark Lantern Session Sunday.

"NO REPORTERS NEED APPLY"

Was the Legend that Met the Eye at the Outer Door Yesterday Afternoon—It is Said the Assembly Considered Steps to Oppose the Passage of the City Charter at the Approaching Special Election. Mr. Bodley's Case was Up, Too.

The Ohio Valley Trades and Labor Assembly held a special meeting in its hall on Market street yesterday afternoon. The meeting had been called Saturday morning by President Tighe, but the purpose was not stated in the call. Yesterday afternoon when the Intelligencer man applied for admittance, he ran up against the outer door, which, though usually not locked, was this time closed tight, as the hold of a burning cotton clipper. The bell alarm brought the outer guard, who volunteered the information that President Tighe had decided not to admit reporters "this time." The reporters have always been admitted to trades assembly meetings, with the understanding that all subjects not desired to be made public were to be withheld. This agreement has always been faithfully carried out by the papers, excepting in one case, where there was a misunderstanding. Now, it seems, there is to be a new departure.

The outer guard further said that President Tighe or Secretary Does would give out what was desirable of the meeting's proceedings after it was over. Up to 3 o'clock this morning, neither official has put in an appearance.

A delegate said last night that the assembly met to consider the new city charter, which is to be voted on at the special election on December 22. It is said steps were taken to exert a strong and united influence against the adoption of the charter at the polls. The same delegate gave this amusing reason for the exclusion of the reporters: "You newspapers are for the charter and the trades assembly is against it. That's why we don't want you there."

Well, if that isn't a case of fear of public opinion, it looks very much like it. It is said the trades assembly also discussed the Bodley-Bricklayers' union case at yesterday's meeting. Mr. Bodley was anxious to know the outcome, but he could learn nothing. It will be remembered Mr. Bodley was dismissed from the assembly for alleged action in the charter committee, contrary to assembly instructions. The bricklayers' union, of which he is a member, took up the matter in defense of Mr. Bodley and withdrew from membership in the assembly.

An Important Difference.

To make it apparent to thousands, who think themselves ill, that they are not afflicted with any disease, but that the system simply needs cleansing, is to bring comfort home to their hearts, as a coactive condition is easily cured by using Syrup of Figs. Manufactured by the California Fig Syrup Company only, and sold by all druggists.

SPECIAL SALE of Manufacturers' stock of Ladies', Misses' and Children's Cloaks and Caps at one-third less than cost of manufacture. All sizes. Come at once. Don't neglect this opportunity.

The New Way.

Some of the best physicians who have had their eyes examined and investigated Professor Sheff's new scientific method of examining the eyes and fitting glasses, without use of drugs and making the patient blind for a week, or having them look at charts, etc., or in any way depend upon the patient, is wonderful and the only absolute correct way for examining the eyes for glasses. Professor Sheff can be consulted and will examine the eyes free at 1119 Main street.

On November 17 and December 1 and 15, 1896, the Chicago, Milwaukee & St. Paul railway will send round trip excursion tickets from Chicago to a great many points in the western and southwestern states, both on its own line and elsewhere, at greatly reduced rates. Details as to rates, routes, etc., may be obtained on application to any coupon ticket agent or by addressing John R. Pott, District Passenger Agent, Williamsport, Pa.

Human Ingenuity.

Certainly, for the mechanic, human ingenuity has never produced a better liniment than Salvation Oil, which now stands unexcelled for curing his sprains and bruises caused by a fall; or cuts and wounds the result of an accident with his tool or saw. Salvation Oil—ways kills pain. "Recently, I fell about twenty feet and was very much bruised on my leg and side, but after bathing them with Salvation Oil the bruises soon disappeared. I think Salvation Oil is just the thing for sores and bruises." A. Jacob Rice, 520 Church St., Easton, Pa. Salvation Oil may be bought anywhere for 25 cents. Substitutes offered by dealers may cost less; hence, do less. Salvation Oil, however, never disappoints the user.
